SUMMER FUN MAKES WAY FOR AUTUMN HAUNTS...

Man, what a difference a year can make. Last year at this point, we were all prisoners in our homes, and I had just made my first tentative trip back to my favorite comic shop. Now it's all changing again, for the better.

Covid-19 has left its mark on America and the world... but even though it is still a thing, life is beginning to return to some form of normalcy. Especially for those of us with two vaccinations under our sleeve. I've been wearing my masks less and less in certain places... the local bar, our offices here in Cockeysville/Hunt Valley. It's a great feeling, and although there's still some hesitancy to go "maskless" 24/7, I still wear it where appropriate. It's the thing to do, you know?

Another instance in which wearing a mask is appropriate is **HALLOWEEN**! And as usual, we're celebrating "HALLOWEEN IN JULY" in **PREVIEWS**, to allow everyone enough advance time to prepare for the big night this October 31st. The past couple of Halloweens were, for me, pretty bad.

In 2019, two trick or treaters showed up at my door. In 2020, it was like there was a pandemic on or something. Nobody came. Which was a bummer, 'cause I was ready for visitors!

I'm hoping that this year will be better, and that folks will get out and enjoy Halloween like they used to. After the year we've all had, they deserve it! And like I said before, I'm ready this year with Comics and Toys for everyone who shows up! And if you want to get into the spirit yourself, be sure to turn to page 226 for a list of great comics, graphic novels, and books that are perfect for the Halloween season!

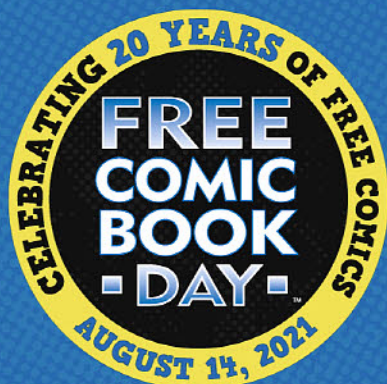

And finally, don't forget that **FREE COMIC BOOK DAY 2021** is just a little over a month away on Saturday, August 14th! You can find a complete list of this year's Gold and Silver level titles starting on page 29. And of course, many retailers will have past titles available, as well as new treasures, store specials, guest creators, and more surprise, I'm sure.

I think this year's FCBD is going to be the best one in a long time. People are ready to get out and share the fun and excitement of Comics with their fellow fans, and shops are eager to get those FCBD crowds back too. And hey, if your local shop requires you to wear a mask indoors, be a team player and slap that thing on. I mean, you're getting **FREE** comics, right?!

That's all for this month! Light some fireworks off on the 4th (keep it safe and sane!) and I'll see you back here for issue #398 of **PREVIEWS**!

Your Pal @ **PREVIEWS**,

Marty

Amazing Spider-Man Sets Multiple Records in May

In May 2021, the Friendly Neighborhood Spider-Man set new records for several issues in multiple grades. ComicLink sold a copy of *Amazing Spider-Man* #129 CGC 9.8 for \$55,111 in their Featured Auction. Not only was this the highest price paid for the issue, it was also the first one to surpass the \$50,000 mark.

Pedigree's A-May-Zing Spider-Man auction cleared \$840,466 and grabbed multiple records. Highlights were *Amazing Spider-Man* #20 CGC 9.8 (Curator) for \$65,500, #23 CGC 9.6 for \$23,500, #27 CGC 9.8 (Pacific Coast) for \$50,277, #37 CGC 9.8 for \$35,300, #41 CGC 9.6 (Boston) for \$20,049, #50 CGC 9.4 for \$16,699, #60 CGC 9.8 for \$23,027, and #101 CGC 9.8 for \$23,250.

Pulps, Concert Posters, Sports Items Achieve High Prices at Heritage Auctions

Heritage Auctions reported many noteworthy results of pop culture memorabilia throughout May 2021. A scarce copy of the first issue of *The Shadow* set a world record for most expensive pulp magazine ever sold when it reached \$156,000. A Hank Williams concert poster for the New Year's Day show that he died en route to sold for \$150,000.

Heritage's Spring Sports Catalog Auction scored a \$33.5 million total. Michael Jordan's game-worn 1982-1983 University of North Carolina jersey hammered for \$1.38 million. A 1909-11 T206 Sweet Caporal Honus Wagner PSA Fair 1.5 reached \$2.28 million. A 2000 Playoff Contenders Tom Brady Championship Ticket rookie card BGS 8.5, autograph 10 achieved \$1.59 million.

Hellcow, the Vampire Cow!

Bessie, aka Hellcow, was created by Steve Gerber and Frank Brunner in *Giant-Size Man-Thing* #5 (1975). In 1675 Bessie was just her owner's favorite cow when she was bitten by Count Dracula because the vampire couldn't find a human to feed on. Though it appeared that Bessie died, she rose from the grave, cursed with immortality and a thirst for blood. In the present, Hellcow was staked by Howard the Duck, but rose once again and was kidnapped by Doctor Kilgore. She and Deadpool escaped together, and she joined Deadpool Inc.

EDGE ESSENTIALS

- **John Carpenter's Tales for a HalloweenNight (Vol. 1)** (SEP151583)
- **John Carpenter's Tales for a HalloweenNight (Vol. 7)** (See Page 370!)

Meet SANDY KING...

Sandy King has produced films ranging from public service announcements on Hunger Awareness to a documentary on astronaut/teacher Christa McAuliffe for CNN, and theatrical hits like *They Live* and *John Carpenter's Vampires*. More recently, she directed and produced the *John Carpenter Live Tour* film and produced the horror/thriller, *The Manor*, for Amazon, scheduled for release in Fall 2021. King is also the first woman founder of a comic publishing house.

Starting with her first comic as a contributing writer on the Harvey Award-winning anthology, IDW's *Womanthology: Space* (MAR130428), and moving on to her first independently published, co-created, co-written, edited comic series, *Asylum* (Vol. 1 / SEP141622), she has created a unique space in genre comics for readers of all ages. Storm King Comics has created award-winning series, graphic novels and the multiple award-winning *Tales for a HalloweenNight* anthologies, in development now as a television series. In December 2019, King launched their newest comics line, *Storm Kids*, offering books for ages 4 to 18 years old. She is married to filmmaker John Carpenter, and lives in Hollywood, California.

What are your favorite projects you've contributed to over the past decade?

As a publisher, all of Storm King's books are my babies, but the annual horror anthology *John Carpenter's Tales for a HalloweenNight* (Vol. 1 / SEP151583) and the new *Storm Kids* line are probably the most fun we have. In the first case

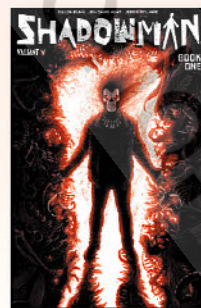

it lets me bring together the most diverse and creative voices I know and, in some instances, put together unexpected teams with delightful results. In the second, I get to mine the offerings of creators you wouldn't expect to delight the younger readers and bring them high quality stories and art.

What are you currently working on?

We are wrapping up *Volume 7* of *John Carpenter's Tales for a HalloweenNight* (See Page 370!), which will be out this Fall. We also are in the middle of our current monthly book for *John Carpenter's Tales of Science Fiction*, which is David J. Schow's latest story, *HELL* (See Page 371!). We also have the trade paperback collection of Mike Sizemore's tale, *Vortex 2.0* (Also on Page 371!) coming up, and for the Storm Kids YA age group we have the collected edition of Steve Niles and Nat Jones' *Sacred Hearts* (MAY21 1722). Next year, we'll have *Volume 2* of *The Grimms Town Terror Tales*, which we launched with *Volume 1* (DEC201685) just in time for the pandemic lockdown.

What fun titles are you reading?

I'm a big fan of *Shadowman* (Book 1 / See Page 389!) that's written by Cullen Bunn. *The Devil's Red Bride* (See Page 397!) is pretty cool, and I'm digging *BRZRKR* from BOOM!

USER'S GUIDE

There's a lot of awesome comics and products to look through in **PREVIEWS**. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use **PREVIEWS** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS PREVIEWS?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log!*) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—**PREVIEWS** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.

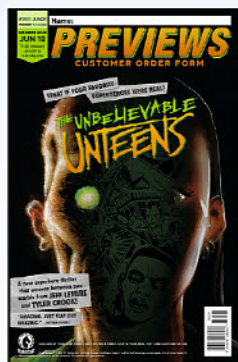

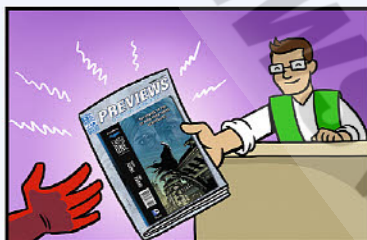

The most important aspect of **PREVIEWS** to remember is that items solicited in the catalog are anticipated to ship 2-3 months later (or more). For example, if you found a comic you wanted in the May issue of **PREVIEWS**, you can expect to see

it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

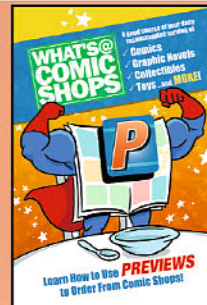

HOW DO I ORDER FROM PREVIEWS?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of **PREVIEWS** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your

comics and products a breeze and can help your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

MYSTIQUE'S VENGEANCE WILL IGNITE AN INFERNO IN MARVEL'S NEXT X-MEN EVENT

Denied what she was promised, Mystique will take her vengeance on those she believes betrayed her — the mutant rulers of Krakoa — in the next chapter of Jonathan Hickman's X-Men saga, *Inferno*, coming this September from Marvel Comics!

The island nation of Krakoa was built on a secret shared by three people — Moira MacTaggert, Charles Xavier, and Magneto — that mutants inevitably fail in their struggle for equality and acceptance. To protect this secret, Xavier and Magneto jointly agreed never to revive a precog in order to keep the future hidden and mutant society secure. That decision sits uneasily with Mystique. Her wife, Destiny, was a powerful precog until she was killed by Xavier's son. Tired of waiting for Destiny to be revived like other once-dead mutants, denied the love of her life, Mystique's fury will shake the mutant world to its foundations, and she will burn the mutant utopia of Krakoa to the ground!

Described by Jonathan Hickman as "the follow-up to *House of X/Powers of X*," *Inferno* is the next phase of Hickman's X-Men saga. Joined by artists Valerio Schiti, R.B. Silva, and Stefano Caselli, the four-issue *Inferno* mini-series promises to reveal the secrets that lay hidden in the mutant utopia, see characters unleash long-gestating revenge, and threaten long-standing relationships. No Krakoa will be left unchanged when Mystique unleashes her *Inferno*!

The conflagration ignites this August in Jonathan Hickman and Valerio Schiti's *Inferno* #1 from Marvel Comics, and every X-Men fan will want to watch the blaze!

EARTH'S FIRST SPACE EXPLORERS RETURN TO EARTH, DECADES LATER, IN IMAGE'S *PRIMORDIAL*

The first living being to orbit the Earth was not a human at all, but a dog — Laika, a stray taken from the streets of Moscow, sealed into a Sputnik capsule, and launched into space with no way home. She was followed, two years later, by the rhesus monkey Able and the squirrel monkey Baker in an American Jupiter missile test. All were believed lost.

Decades later, the truth behind these missions is revealed in Jeff Lemire and Andrea Sorrentino's new Image Comics mini-series, *Primordial*. Launched into the cold vacuum of space, these three animals were taken beyond the safety of Earth's atmosphere by forces unknown. Now, they are being returned to Earth for reasons unknown, and the secret behind their long absence and sudden reappearance may well remake the world!

"CHARLES ARDAI IS A VERY SMART AND VERY COOL FELLOW." – STEPHEN KING

SHE'LL GET YOU THE WEAPON YOU NEED, WHERE YOU NEED IT, WHEN YOU NEED IT, NO MATTER HOW IMPOSSIBLE!

But when a gun she smuggles into a high-security prison leads to the escape of a very dangerous man, the U.S. government tells her she has to track him down – or spend the rest of her life in a cell.

We spoke with Hard Case Crime founder and editor **Charles Ardaí** – also an Edgar and Shamus award-winning writer – about **GUN HONEY #1**.

COVER A BY SUPERSTAR ARTIST **BILL SIENKIEWICZ**

CHARLES ARDAI (WRITER AND FOUNDER OF HARD CASE CRIME)

Who is GUN HONEY?

Joanna Tan is the best in the world at what she does, which is to supply you with the perfect weapon at the perfect moment. She fled Singapore as a teenage refugee after her whole family was murdered and she has reinvented herself in California. 'Gun Honey' is what rivals in the crime world call her behind her back. But she's reclaimed the name, taken power from it, and earned a powerful reputation. She's tough, smart, competent, strong. She's had to be. She'd be dead if she weren't.

What sort of assignments does she carry out?

When we meet her, she's faced with the challenge of getting a gun onto a gangster's yacht when she's wearing nothing but a bikini and a pair of sunglasses. Not easy. Later we hear she once smuggled a taser into the Vatican. She's not a killer herself – she

doesn't pull the trigger. But someone has to *provide* the trigger. And no one's better at that than Joanna.

Wait...so she never kills anyone?

It's not her *job* to kill anyone. If she were going to kill someone, well, that would be for personal reasons.

Tell us about the amazing cover artists you got to work on the book.

I'm so thrilled to work with artists I've admired for years like Bill Sienkiewicz and Adam Hughes, not to mention the legendary Robert McGinnis, who painted the original James Bond movie posters back in the 1960s and 70s. (He also painted the famous poster of Audrey Hepburn with a cat on her shoulders for *BREAKFAST AT TIFFANY'S*, and he's done an homage to that painting for us!) It's thrilling to see what artists like Jay Anacleto and Kendrick Lim and Fay Dalton and Chris Wahl and Andrea

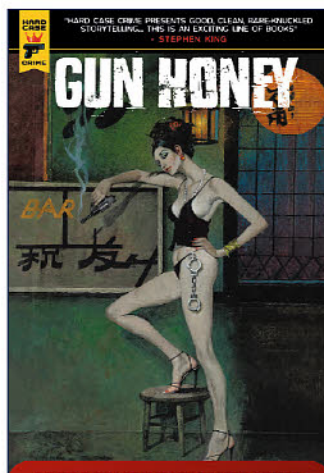

Camerini come up with. Joanna is strong and beautiful and deadly, which makes for great paintings.

Who drew the interiors?

Ang Hor Kheng, who is this phenomenal artist based in Malaysia – he draws like a young Frazetta, all traditional pen-and-ink work, not digital, incredibly detailed and absolutely gorgeous. And because he's from the same part of the world as the character, he's able to bring an extra level of authenticity when we flash back to Joanna's childhood in each issue.

Will there be more adventures for Gun Honey after the first book?

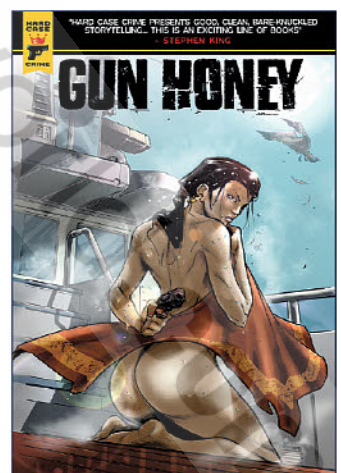

hope so! We're in discussions with some television producers about bringing Joanna's story to the screen – what a wonderful opportunity to present a strong female lead in an adult crime story full of moral ambiguity. And I've got ideas for more GUN HONEY comics too."

COVER B BY LEGENDARY POSTER ARTIST **ROBERT MCGINNIS**

SERIES FINALE

All this time, the Crisis Command has fought to undo what's been done. From the death of empathy, to the passage of the American Individuality Act, they've tried to preserve what they thought was right, what the world needed. But with all of existence in the hands of the world's population, in OUR hands, thanks to the power of a word, will the ideas of the past save us? Or will they die to give birth to something new? Superheroes haven't saved the world, so the Crisis Command, and all of us, have to be something better.

Centuries before the events of the Skywalker Saga, the galaxy is experiencing unparalleled peace—until a new enemy threatens everything the Jedi have built.

In the days of the High Republic, the Jedi are at the height of their power. But the emergence of the piratical, anarchic Nihil proves that even the most successful peace is fragile, and the Jedi's influence is neither as pervasive nor as benevolent as they would believe.

Now Lula, Farzal, and Qort, inexperienced Jedi Padawans, must help the inhabitants of Trymant IV in the wake of a Nihil attack. All the while, they'll face suspicion and outright opposition from a group of subversive citizens who resent and fear the Jedi. Two of those citizens, Zeen and Krix, will have to decide whether to accept the Padawans' aid or try to save the day on their own.

Star Wars: The High Republic Adventures is part of a broader publishing initiative exploring a mysterious, bygone era of the Galactic Republic through comics and prose.

Ever since my cosmic twin disappeared, nothing makes sense anymore. Friends, work, life—well, you get the picture.

For all of five minutes I thought therapy might be the answer. But then I remembered: I'm a cartoonist. Why waste a skilled professional's time when I could just spend 10 years of my life making an autobiographical comic and call it a "voyage of self-discovery"?

So here it is: the opening chapter of my life. It's 1985 in a small Quebec town called Notre-Dame du Lac. We're going to get to know a little girl who enjoys chatting with the forest (that's me!), a younger brother with demonic tendencies, a tyrannical older brother, and two marvelous parents who may or may not be aliens.

And please, PLEASE, take my advice, dear reader. If you ever find yourself in the midst of an existential crisis, don't make a comic about it. See a therapist instead. Much love!

WORLD-RENOWNED WRITER & ARTIST MIRKA ANDOLFO BRINGS HER TALENTS TO HYRKANIA!

Mirka, you're known for some of your cute and whip smart characters like Paprika from Sweet Paprika and Angelina from Un/Sacred but also powerful women like Lady Hellaine from Mercy. Do you see those same qualities in Red Sonja and what drew you to the character?

Since the beginning of my career as a creator, I have been very focused on female characters. And even when I work as an artist, I love to illustrate female characters, especially strong characters. I believe that we could say that a fundamental aspect of my work is precisely strong female characters: and, in their own way, everyone is, even Angelina and Paprika.

Red Sonja is an extraordinary, multi-faceted character, and I loved her from the first moment. When I was asked to try to make my own version of her, I immediately accepted.

What can you tease us about the new story you're bringing to the She-Devil With a Sword?

Not much, I know readers don't like spoilers, haha! What I can tease is that I was able to tackle another theme that is present in my work: the mother figure. How this theme fits into a plot made up of adventure, mystery, and magic...Well, I would like to let readers discover it in their local comic store.

While preparing for this series, did you look to other Red Sonja stories and creators for inspiration? Or stories outside of Hyrkania and maybe even outside of comics that could be an influence?

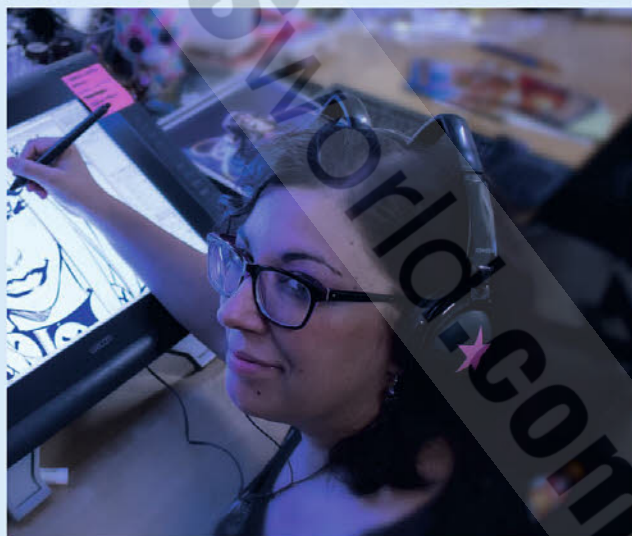

First of all, I contacted my mate Luca Blengino (who's co-writing the story with me), because he's a sort of master about Robert E. Howard's universe. We started discussing Red Sonja, from the origins and so on. To work on the story, we did read (again) some comics of her, especially the runs written by Gail Simone and the most recent one by Mark Russell. But basically, we tried to take inspirations from different sources, and basically to do something we feel comfortable with.

Though you are a multit talented comics renaissance woman, some Dynamite fans may know you more for your art. Do you feel that being an artist helps you in writing for other artists?

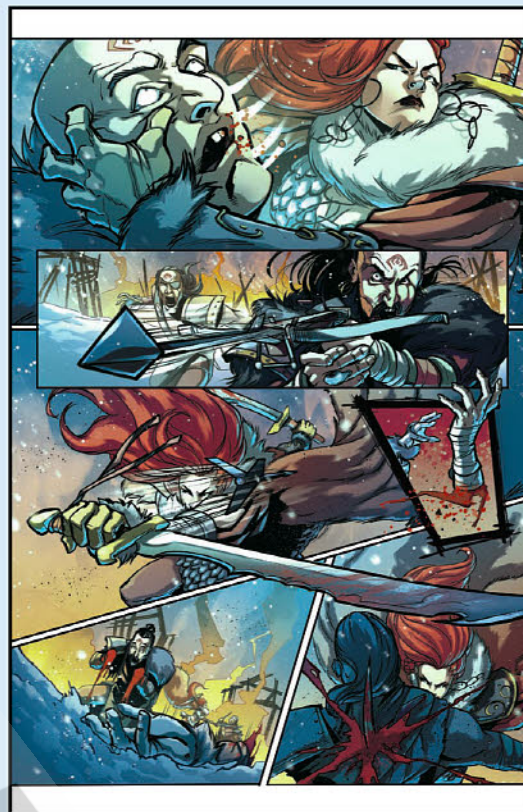

Absolutely yes. As a writer, I consider myself kind of a newbie: I've written just some hundreds of pages not to be drawn by me. As an artist, I've drawn many more pages. And I think that when I write, it's helpful to me to put myself in the artist's shoes. As an artist, I know that putting many different actions (or thousands of characters) in the same panel can generate murderous instincts... Seriously, I also find this very stimulating, because I can see how an artist other than me imagines something that I probably would have done very differently.

How has it been so far working with the rest of the team on this series? With co-writer Luca Blengino, artist Giuseppe Cafaro, editor Nate Cosby, and the rest of the team.

It has been amazing, and it's a sort of big back to the origins, for me: I've known Peppe (short for Giuseppe) since we went to the comics school in Naples. He's an artist I do adore, and I'm happy to have the chance to work together with him! Then, Luca is a true friend of mine, he usually is one of the first people I ask for advice when I write, and we're working on more than one project together. The rest of the team I worked with so far is composed by editor Nate Cosby, who I already worked with (and I did enjoy a lot!), and Chiara Di Francia, an amazing colorist and a fantastic human being. Well, I feel very lucky, and I can't wait to see this project reaching the shelves!

RODNEY BARNES GETS GROOVY! TRAVEL BACK TO THE 1970s WITH THIS TELL-ALL INTERVIEW

With your critically acclaimed Image series *Killadelphia*, you clearly have an appetite for blood-sucking and flesh-eating in your stories! Have you been a longtime fan of *Ash* and the *Army of Darkness* saga?

I have! Loved the movies and followed most of the comics. The mix of comedy, gory fun and action is a unique challenge that's exciting to take on.

Ash is no stranger to time travel, of course in the film *Army of Darkness* he finds himself in the Middle Ages. This time you're taking him to 1979. What drew you to this era?

It's my favorite era in storytelling. I'm a 70's kid that watched a lot of movies and television, so this is sort of an homage to that.

There are so many iconic films and media of that era, are you drawing inspiration from any in your story? We hear *The Warriors* might be an influence.

A huge influence! *The Warriors* was a cult classic set in a very specific New York. It was the burning trash can, dangerous Central Park, birth of hip hop era that so many of the movies I loved were set in. Being able to play around with several of that film's themes is pure joy.

Artist Tom Garcia is drawing this series and all its flesh-ripping action. How's it been seeing his pages roll in for the series, bring your script to life?

The pages are beautiful! And bursting with life. It's a joy opening those emails haha. Tom's fantastic

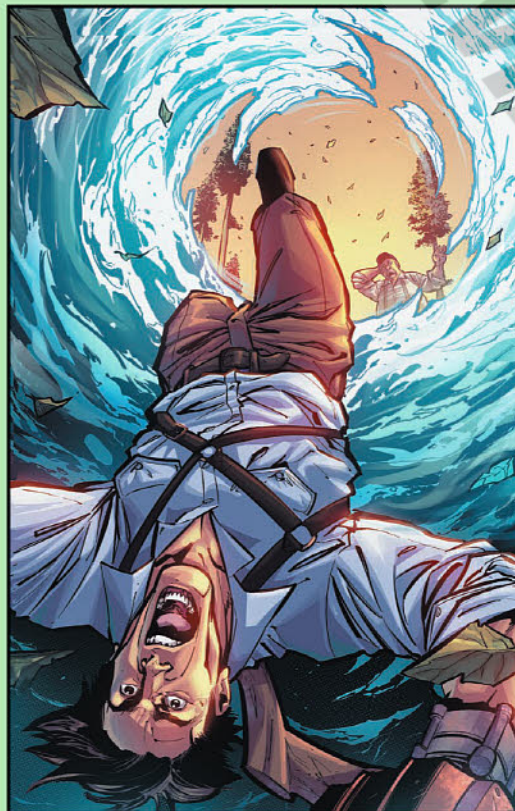

In addition to Tom, you have some other horror comics legends contributing to the series. Arthur Suydam is doing covers of course, but also your *Killadelphia* collaborator Jason Shawn Alexander, also of *Spawn* fame and more. How important was it for you to loop him into your

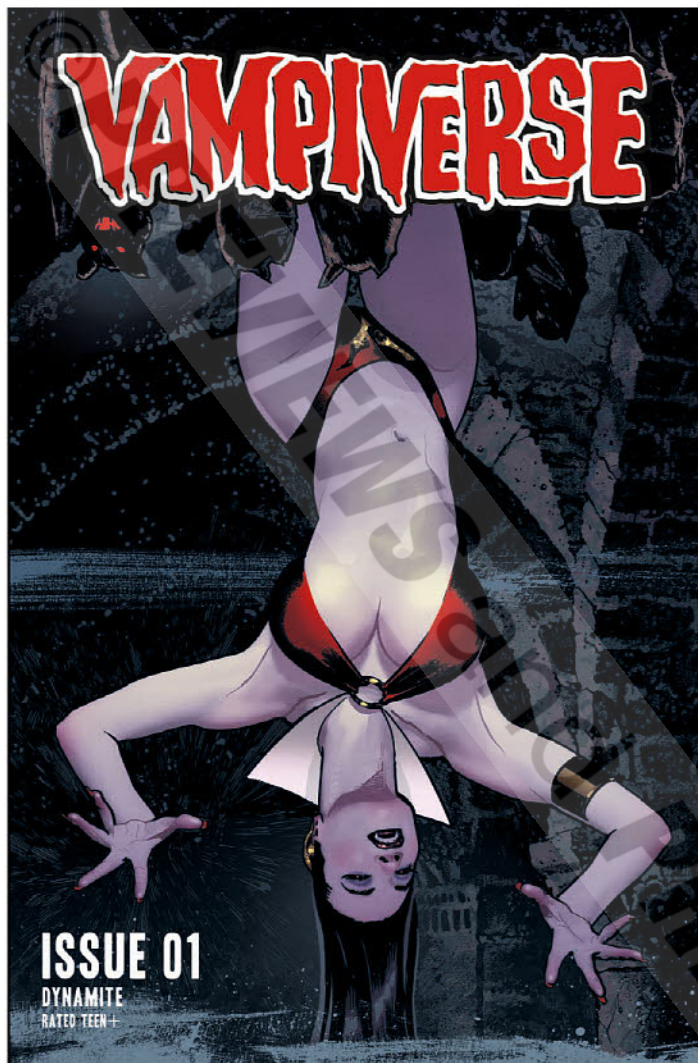

Really looking forward to Arthur's covers! And Jason has become like an extra appendage! I can't imagine not working with him. Please don't tell him I love him. God, I hope he's not reading this....

From the writers of Vengeance of Vampirella, and the Vampirella Valentine's Day Special 2021 comes a mind-splitting event!

A different Vampirella for every thread—for every kind of story—across the Fabric of time and space. A Vampirella of every conceivable notion born to protect her particular reality . . . but now something—someone—is killing them and stealing away their precious life energies and growing in power. It is up to the Vampirella of one of these universes to gather some of her special sisters to stop this growing threat and keep it from destroying the Creator of all things—the Artist—and preventing the unraveling of all reality.

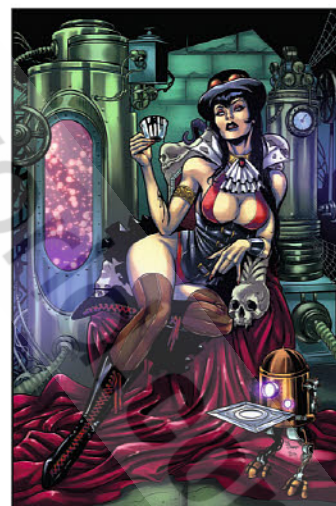

THOMAS E. SNEGOSKI is the author of more than two dozen novels for adults, teens, and children. His teen fantasy YA series Fallen was adapted into a trilogy of monstrously successful TV movies. His other books for teens include Sleeper Code, Sleeper Agenda, Legacy, and Force Majeure, as well as the series The Brimstone Network. The author's first adult novel, A Kiss Before the Apocalypse, was developed into a series of novels about the character Remy Chandler.

As a comic book writer, Sniegowski's work includes Stupid, Stupid Rat Tails, a prequel miniseries to international hit Bone. Sniegowski collaborated with Bone creator Jeff Smith on the prequel, making him the only writer Smith has ever asked to work on those characters. Sniegowski and writer Christopher Golden also wrote the graphic novel BPRD: Hollow Earth, a spinoff from Hellboy.

Sniegowski was born and raised in Massachusetts, where he still lives with his wife LeeAnne and their dog, Kirby.

TOM SNIEGOSKI & JEANNINE ACHESON SHARE HOW IT ALL CONNECTS

Tom, we somehow still have not done the math, but we're pretty sure you may already have been the most prolific Vampirella writer ever, and now that must be true with this series! How special is it to return to the character even more and expand your contributions to Drakulonian history?

TOM: When Dynamite asked me to return to Vengeance of Vampirella for her 50th anniversary (and coincidentally, my 25th year anniversary writing her), I was surprised at how easy it was to get back to writing the character. It was like slipping into a nice warm sweater. So now with my run of the current Vengeance of Vampirella nearing the end, it was awesome to get the chance to continue to play in the Vampirella toybox with the new miniseries, Vampiverse.

You've long been known for bringing other creators into your projects and into the Vampirella world, whether it was Ed McGuinness, Christopher Golden, or others. Jeannine is back co-piloting with you following the fun Valentine's Day special you guys wrote.

Can you speak to the special ingredients she brings to the table?

TOM: Jeannine brings a unique perspective to the character due to the fact that she's new to the whole comic book writing experience. As a novelist, she looks at Vampirella and her story from angles that I've never really thought of, forcing me to think of the character in different ways.

Jeannine, it's great to have you back writing Vampi! What drew you and Tom to tell this particular tale?

JEANNINE: Thanks so much, it's great to be back! When Tom and I were writing the Vampirella Valentine's Day Special for 2021, we created a really cool villain in Bloodwing, and loved her so much we tried to come up with ways that we could write her again. Eventually those ideas turned into what's now being called Vampiverse! And man, she's even cooler now than she was in the Valentine's Day Special.

The working title for this series was Death & Destruction 2, calling back to the smash hit 1996 event series that resulted in Vampirella's death. While your latest run on Vengeance of Vampirella also picks up from those threads. How does this new series fit into the ever-expanding Sniegowski-verse?

SPOTLIGHT ON

TOM & JEANNINE: Sniegowski-verse! We LOVE that. Initially we liked the idea of calling our crazy concept Death & Destruction 2, but it grew so big and different from the original series that we thought Vampiverse fit the story better. In this new series, we've woven together multiple Vampirella threads from some of the runs throughout the years, as well as coming up with various new versions that make one crazy reality.

You two as well as artist Daniel Maine have gotten to design so many cool alternate versions of Vampirella for this title. Do you have favorites that you are excited for fans to see? You never know, maybe a breakout star could even get another spotlight...

TOM: Oh, man Daniel's work is AMAZING so far! His designs on our crazy ideas have been far better than we could even imagine. As far as favorites go, that's pretty darn hard.

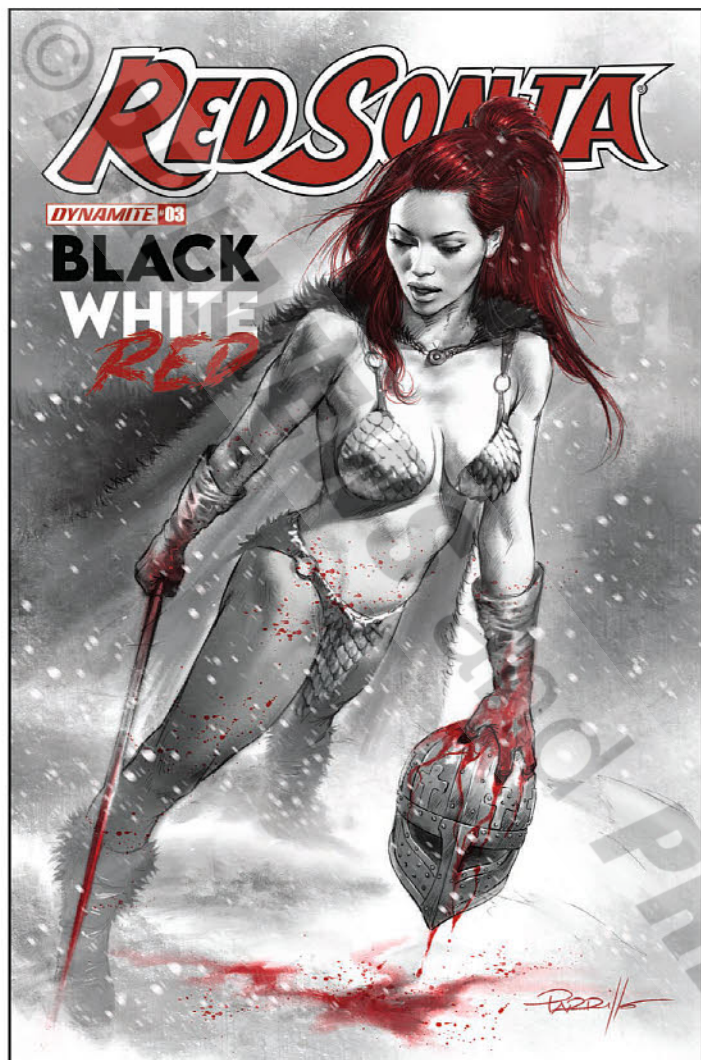

They all look really cool, and we wouldn't mind writing new series about any of them.

JEANNINE: Oh, that's hard. It's like asking a mom who her favorite child is. The answer is always "all of them!"

TOM: Yeah, I think they're all pretty cool and I'm sure people will all have their favorites.

A provocative horror series perfect for readers of **Redlands** and **Something is Killing the Children**!

What happens when one woman becomes the real monster society has always made her out to be? Dragged by her sister Wendy to a feminist retreat on the remote island of Angitia, Marion Angela Weber hopes to gain some perspective and empowerment... that isn't at the bottom of a bottle.

But everything is horribly derailed after an assault on their first night there. The violent encounter awakens something in Marion she never imagined, triggering warped mutations in her body, and awakening a hunger she can't bring herself to name. When the townsfolk react with suspicion and violence, what unforgivable act will transform Marion into the very monster they've made her out to be?

A provocative five-issue horror series by award-winning journalist and opinion writer **Jude Ellison S. Doyle** (*Dead Blondes and Bad Mothers: Monstrosity, Patriarchy, and the Fear of Female Power*) and artist **A.L. Kaplan** (*Full Spectrum Therapy*) that explores the anger of women trapped by society's expectations and the reclamation of power through collective rage, perfect for readers of *Redlands* and *Something is Killing the Children*.

It's World War 2 and the struggle between good and evil is in full force. In Prague, the great Bohemian city is being oppressed by the Nazi occupation and the population lives in terror, while the resistance forces try to organize themselves in the shadows. It is an almost impossible task. With the ruthless SS tightening their grip on every street and neighborhood with overwhelming might, only one hope feeds the struggle. A crazy hope, which rests on the fragile foundations of an ancient, monstrous legend...

CRUELER THAN DEAD vol 1

SOFTCOVER | 208 PAGES | BLACK & WHITE | MATURE | MANGA, HORROR | \$12.99

WRITER: TSUKASA SAIMURA | ARTIST: KOZO TAKAHASHI

Discover the BEST of GORE from JAPAN!

Crueler Than Dead features fast paced and extremely graphic violence concealing none of the absolute horror...and requiring a strong heart and stomach!

No one knows where it started...but when the world finally realized what was going on, it was already too late.

When Maki Akagi wakes up in a lab full of corpses, she learns from a dying soldier that she is the result of a last-ditch experiment to cure humans of a virus turning them into zombies. Accompanied by a young boy who also miraculously escaped, she will have to try to get to the very center of a devastated Tokyo filled with bloodthirsty monsters. The dome located there contains the last survivors of mankind. And humanity's very survival depends solely on a few drops of this miraculous vaccine...

Inspired by Katsuhiro Otomo (*Akira*), *The Walking Dead*, Romero classics, and new zombie films like *28 Days Later*, *Crueler Than Dead* delights in the meticulous gory details of decomposed flesh, with a wicked and hungry eye...evoking a modern vision of a zombie world that is terrifying, tension filled and unsettling!

SPOTLIGHT ON

MONSTERMIND: DEALING WITH ANXIETY & SELF-DOUBT HC

**HARDCOVER | 144 PAGES | BLACK & WHITE
MATURE | SLICE OF LIFE | \$19.99**

WRITER/ARTIST: ALFONSO CASAS

Alfonso Casas's *MonsterMind* is a very personal account of the inner monsters that live inside his head.

But who doesn't have a monster inside them?

Who has never heard that voice inside their head undermining everything they do? You're not good enough... You just got really lucky... There are people far better and more qualified than you...

In a very honest exercise, Alfonso Casas identifies and introduces his own monsters to his readers: Mr. Past Traumas, Mr. Fear, Mr. Social Anxiety, Mr. Impostor Syndrome, Mr. Sadness, Mr. Doubt... the pessimistic, the insecure, the self-demanding, the monster that keeps you from sleeping while you think of what you could have said back in that conversation two years ago, or that keeps you looking over the punctuation of every text message to figure out the tone lurking beneath the surface. All those monsters make up the bestiary of contemporary society.

But the anxiety generation is expert in more things: in looking inside themselves and their lives, and—why not?—in laughing at their own neuroses as best they can. In the end, if the monsters won't leave us, we might as well get to know them and laugh at them!

Anxiety is another pandemic, but the monsters dwelling inside us are funny, too (especially as drawn by Alfonso Casas).

BONUS: Includes a discussion guide to help readers further discuss anxiety and find ways to deal with it.

"CDC warns young adults reporting anxiety, depression surpasses 40% during pandemic" —NEWSWEEK

When he left the military, Aaron Tse's first thought was providing for his aging parents. His parents' bar is experiencing hard times, and one night it's shot to hell, with his parents critically injured in the attack.

But this was no ordinary robbery — Aaron's mother reveals that she fled China to escape a blood feud between the Jewish and Chinese sides of her family...both of which are powerful organized crime families. Peace existed between these two families — the Hu and the Margolis — but now it's been broken, and Aaron must protect his parents from further violence. Aaron hops a plane to the homeland he never intended to explore, on a path to revenge he never wanted to walk.

Written by Jon Tsuei (*Sera and the Royal Stars*, *RunLoveKill*) and Steve Orlando (*Martian Man-hunter*, *Wonder Woman*, *KILL A MAN*, *PROJECT PATRON*) and drawn by artist sensation Rubine (*Nancy in Hell*, *Charmed*), *SEARCH FOR HU* is a fast-paced, action-packed exploration of complex cultural histories, powered by a bloody family feud.

Spies...like us?

In 2008, husband-and-wife Russian intelligence operatives walked into the U.S. Embassy in the Dominican Republic in order to defect, making a deal to trade secrets for new lives. But instead of the American Dream, Janosh and Victorya Neumann found themselves caught up in red tape, bureaucracy and turf wars between the FBI and CIA — all while their past tried to kill them.

Based on the real-life story of real-life spies, **ALMOST AMERICAN** is written by comics master Ron Marz in close consultation with the Neumanns, with art by rising star Marco Castiello.

INSPIRED BY THE TRUE STORY OF HUSBAND-AND-WIFE RUSSIAN SPIES WHO TYPICALLY WOULDN'T LIVE LONG ENOUGH TO TELL SUCH A TALE.

Years after a nuclear apocalypse, a new society has risen from the ashes...and their bible is an old Ranger Scout manual. A young Ranger Scout named Kit has endured the harsh survivalist upbringing needed to conquer the irradiated Colorado Badlands. But after discovering a terrible secret once lost to history, Kit must risk everything on a dangerous quest to uncover the truth behind the Ranger Scouts' doctrine.

From multiple Ringo Award-nominated writer David Pepose (*Spencer & Locke*, *Going to the Chapel*, *The O.Z.*) and artist Luca Casalanguida (*James Bond*, *Lost Soldiers*) comes a post-apocalyptic coming-of-age tale that proves when all you know is a lie, a Scout's Honor is the only way to move forward. HORROR/SCI-FI

SEPTEMBER 15TH

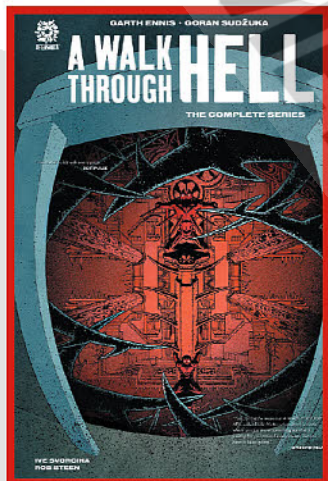

A science fiction horror series about social media, big tech, and influencer culture. When the world's biggest influencer posts something irredeemably horrific online, the world changes in an instant. Now it's up to his social media manager, Anne Stewart, to fan the flames of outrage and create a sensationalist campaign that rewrites the rules of "banned content." Thus begins a carnival of lust, revulsion, desire and disgust – all for viral videos.

Written by Zac Thompson (*LONELY RECEIVER*, *UNDONE BY BLOOD*, *X-Men*) and illustrated by Andy MacDonald (*Multiple Man*, *Rogue Planet*), *I BREATHED A BODY* is a horror series about the voyeurism of violence and the Big Tech companies who engineer patterns of fear in society. This volume contains the entire series, issues #1-5.

Tensions rise as a divided kingdom falters in this third volume of a full-color graphic novel adaptation of the second book in George R. R. Martin's landmark *Song of Ice and Fire* series. In the south, Renly is dead at his brother's hand, but even as Stannis seeks a way to subdue Renly's hold of Storm's End, Tywin Lannister continues his march toward King's Landing, harried by the forces of Robb Stark and Edmure Tully. As Robb wins victory after victory, his sister Arya finds her own small way to turn the tides against the Lannister forces from her secret place inside Harrenhal—while back at Winterfell, their brother Bran is about to discover the true meaning

of his prophetic dreams. Meanwhile, beyond the Wall, Jon Snow is chosen for a very special mission, and in sun-drenched Qarth, Daenerys Targaryen enters the House of the Undying. (STL197682)

GEORGE R.R. MARTIN'S A CLASH OF KINGS GN'S

(W) George R. R. Martin, Landry Quinn Walker (A/CA) Mel Rubi
The summer of peace and plenty, ten years long, is drawing to a close, and the harsh, chill winter approaches like an angry beast. From the ancient citadel of Dragonstone to the forbidding shores of Winterfell, chaos reigns, as pretenders to the Iron Throne of the Seven Kingdoms prepare to stake their claims through tempest, turmoil, and war. As a prophecy of doom cuts across the sky—a comet the color of blood and flame, six factions struggle for control of a divided land. And a continent away, an exiled queen, the Mother of Dragons, risks everything to lead her precious brood across a hard hot desert to win back the crown that is rightfully hers. (STL094463)

MUTATIONS EPISODE 1 GN

(W) Corine Jamar, LEO (A) Fred Simon

Two years have passed since the events of Mermaid Project, and Romane and Brahim have paid the price of their courage and integrity. Ignored, even censored, by their superiors, they're now reduced to taking lousy private eye jobs to earn a living. Meanwhile, though, the same cetaceans whose advanced intelligence the UN had refused to believe in are attacking fishing trawlers... with rockets! Before long, the authorities ask our two investigators to take their old jobs back. (STL197931) (C: 0-1-1)

O/A THE ABOMINABLE MR. SEABROOK SC

(W/A/CA) Joe Ollmann

Journalist and travel writer William Buehler Seabrook was willing to go deeper than any outsider had before, participating in voodoo ceremonies, riding camels cross the Sahara desert, communing with cannibals and most notably, popularizing the term "zombie" in the West. A string of his best-selling books show an engaged, sympathetic gentleman hoping to share these strange, hidden delights with the rest of the world. But, of course, there was a dark side. Seabrook was a barely functioning alcoholic who was deeply obsessed with bondage and the so-called mystical properties of pain and degradation. **PUKE FORCE HC**

(W/A/CA) Brian Chippendale

Puke Force is social satire written dark and dense across Chippendale's deconstructed multiverse of walking, talking M&Ms, hamsters, and cycloptic-yet-glamorous trivia hosts. He takes on social media narcissism, governmental propaganda, racism, the hypocrisies of the Left, and a culture of violence. Throughout this dystopic graphic novel, Brian Chippendale uses humor and a

frantic drawing style to show how the insidious nature of corporate greed and the commodification of everything have warped society into a killing machine. Sardonic and self-aware, *Puke Force* asks all the right questions, providing a startling and on-point take on contemporary social issues. (STK687610) (C: 0-0-1)

**SWEET TIME GN**

(W/A/CA) Weng Pixin

Sweet Time is an intimate rumination on love, empathy, and confidence. Singaporean cartoonist Weng Pixin delicately explores strained relationships with a kind of hopefulness while acknowledging the inevitable collapse. Her stories are like a series of snapshots in a photo album or the brightest highlights from an Instagram profile. Weng

combines colorful realism with a gentle wit and introspection, crafting infinitely relatable stories of everyday life and love now. (STL153632)

ALL SUMMER LONG GN

(W/A/CA) Hope Larson

Thirteen-year-old Bina has a long summer ahead of her. She and her best friend, Austin, usually do everything together, but he's off to soccer camp for a month, and he's been acting kind of weird lately anyway. So it's up to Bina to see how much fun she can have on her own. At first it's a lot of guitar playing, boredom, and bad TV, but things look up when she finds an unlikely companion in Austin's older sister, who enjoys music just as much as Bina. But then Austin comes home from camp, and he's acting even weirder than when he left. How Bina and Austin rise above their growing pains and reestablish their friendship and respect for their differences makes for a touching and funny coming-of-age story. Damian is the new kid at school, and he has a foolproof plan to avoid the bullying that's plagued him his whole childhood: he's going to stop talking. Starting on the first day of seventh grade, he won't utter a word. But his vow of silence doesn't work—his classmates can tell there's something different about him. His family doesn't look like the kind on TV: his mother is dead, his father is gone, and he's being raised by his grandparents in a low-income household. And Damian does things that boys aren't supposed to do, like play with Barbies instead of GI Joe. Kids have teased him about this his whole life, especially other boys. But if boys can be so cruel, why does Damian have a crush on one? Available in softcover and hardcover editions. (STL196909) (C: 0-1-0)

A Creator You Should Know: AL FELDSTEIN

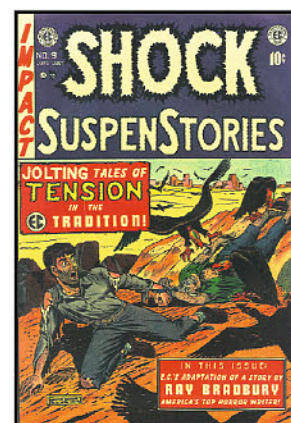

As an editor with EC Comics, Al Feldstein created, wrote, illustrated and edited titles in one of the most influential comic book lines in history. With a body of work ranging from horror (*Tales from the Crypt*) to science fiction to crime and suspense, his contributions have been reprinted numbers of times over the years. They also stood up to the harshest critic: time. In 1955, he became editor of *MAD*, which had started as part of EC's comic book line-up and survived the demise of its sister publications by graduating to magazine format. Under his editorship, the magazine's circulation steadily increased from 375,000 to almost 3 million. Using his own pen name, he christened Alfred E. Neuman, *MAD*'s trademark character, and made short work of many social conventions. In 1984, Feldstein retired from *MAD* to devote his time to painting, something he continued in his Montana home until his passing in 2014.

A TRUE WONDER: THE COMIC BOOK HERO WHO CHANGED EVERYTHING HC

(W) Kirsten W. Larson (A) Katy Wu

Perhaps the most popular female superhero of all time, Wonder Woman was created by Bill Marston in 1941, upon the suggestion of his wife, Elizabeth. Wonder Woman soon showed what women can do — capture enemy soldiers, defeat criminals, become president, and more. Her path since has inspired women and girls while echoing their ever-changing role in society. Now a new group of devoted young fans enjoy her latest films, *Wonder Woman* and *Wonder Woman 1984*, and await a third installment being planned for theatrical release. This book raises up the many women who played a part in her evolution, from Elizabeth Marston to writer Joye Hummel to director Patty Jenkins, and makes clear that the fight for gender equality is still on-going. FANTASY

Follow the journey of the amnesiac Ronin Raido in a medieval Japan where spirits still exert their magic on the land.

Raido, a young Ronin—a masterless Samurai—roams the land in a quest for his memories. His first stop is the City that Talks to the Sky, the ultimate stronghold against the ice invading the Land of the Rising Sun. There, he meets Meiki, a graceful puppeteer and storyteller of charms. With her aid, Raido begins to reassemble the pieces of the puzzle that is his identity.

Legend of the Scarlet Blades, as painted in the tormented and airy style of Saverio Tenuta, is a series whose universe is inspired by feudal Japanese history and traditions, full of breathtaking settings and terrible dangers, and populated by a myriad of wondrous mythical beings.

SLICE OF LIFE

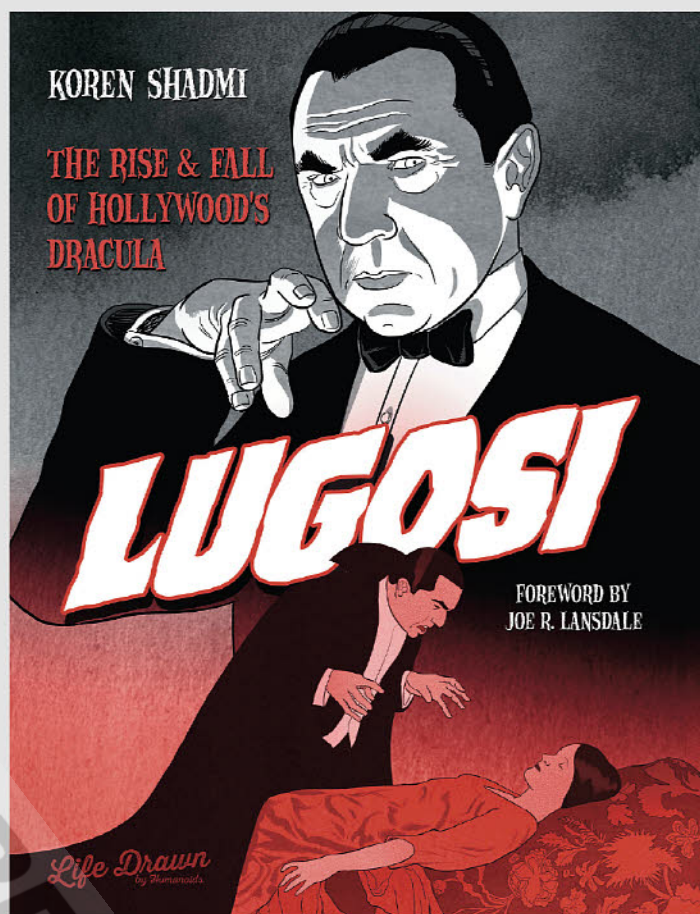

BIOGRAPHY

As horror cinema's most iconic actor, Bela Lugosi is forever remembered for his haunting role as Count Dracula, frightening filmgoers for many years. But once the cameras finally stopped rolling...that's when Lugosi himself learned what true terror was.

Beginning with his early life in Hungary as a young actor and activist, this first-of-its-kind graphic memoir details Lugosi's flight from his homeland after becoming an enemy of the state and his eventual move to the US, where his career flourished—for a while. Following a pivotal career mistake that allowed Boris Karloff's star to rise while his plummeted, Lugosi's pride, extravagant lifestyle, and addiction to drugs, women, and the high life led to his tragic decline and humiliating later years that saw him join forces with infamous B-movie director Ed Wood for one last shot at stardom.

"Lugosi is nothing short of a masterpiece. With riveting style and a storyline that drives full-tilt from the opening panels, Shadmi tells the tale of the man behind Dracula... with such vision and heart, you find yourself rooting for the monster from beginning to end."

From two celebrated Indigenous creators comes a powerful graphic novel about a family caught between nations. *Borders* is a masterfully told story of a boy and his mother whose road trip from Alberta to Salt Lake City is thwarted at the border when they identify their citizenship as Blackfoot. A beautifully told tale with broad appeal, *Borders* resonates deeply with themes of identity, justice, and belonging. (STL19731) (C: 1-1-0) NOTE: Available only in US, Canada, and US territories.

In the year 2200, a team of teenage scientists are sent on a terraforming mission to a distant planet. Selected as the best and brightest of their generation, architect Jonas, botanist Marnie, biologist Jane, engineers Anya and Kamari, and security detail Kurt are all put into cryostasis expected to wake up when it is time to prepare to land on their assigned planet. When they are awakened abruptly, ten years early, halted above a strange planet, the teens are tasked with trying to figure out why they're stalled — or what stalled them. As they break into two teams, one tasked with fixing the ship, the other with exploring the unknown planet below, they're faced with an increasingly nightmarish scenario as they encounter a cosmic horror that seems to not only have attacked their ship, but also their minds. Choosing between living the life you want and living the life you're "supposed to have" is not always an easy choice. Noah, embracing his true self, wants to pursue a career in costume design, something his loving, public service parents would never approve of. Azarie, the perfect, model daughter of a very stern, traditional family, dreams of embracing the hobbies she secretly loves, hobbies her social circle would never abide by. The two live different lives and their social statuses keep them from ever crossing paths until they have a chance encounter that exposes some common ground: the desire to be who they truly

are. Together, the two set out to put it all on the line and show everyone what they're made of and what they want to achieve in the form of cosplay. Their growing friendship will be tested and their faith in themselves, as well as each other, will be tried. Up-and-coming writer David Pinckney (*Fight Like a Girl*) and first-time graphic novel artist Ennun Ana Iurov introduce a coming-of-age yarn about self-discovery, resilience, and the enduring power of having a person believe in you! By
Dav

K

This book is intended for children aged 3-8. It contains simple imagery and themes.

Winter is fast approaching and all the animals in the forest are in full preparation: storing food and provisions, dining on the last worms with the neighbors, etc... All the animals but one: grumpy badger Mr Grumpf just can't finish sweeping the dead leaves off his doorstep with everyone coming by to disturb him! Grumpf!

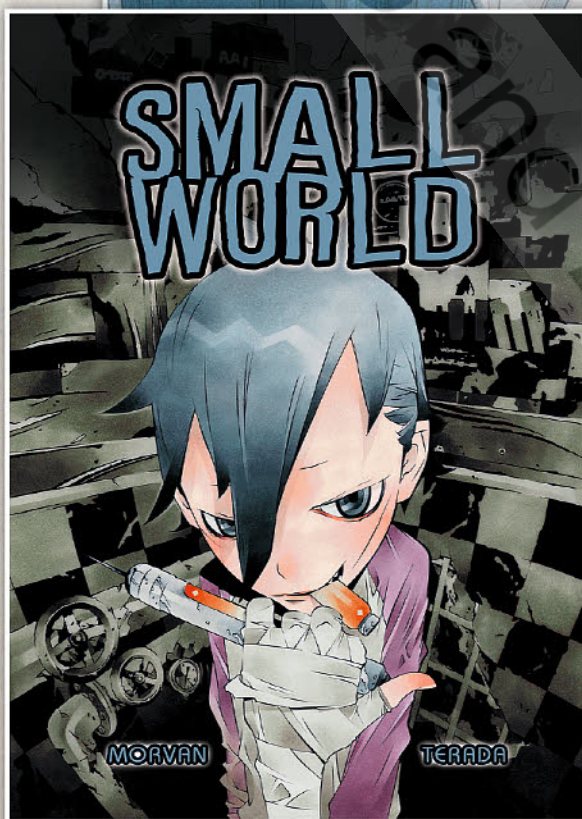

Presenting a graphic universe somewhere between Michel Plessix's adaptations of *THE WIND IN THE WILLOWS* and the cartoons of Walt Disney (in particular those created by Don Bluth, such as *THE RESCUERS* and *ROBIN HOOD*), Dav gently conveys each season through a changing palette of colors and rounded designs.

THESE FISTS
BREAK BRICKS:
HOW KUNG FU MOVIES
SWEEP AMERICA AND
CHANGED THE WORLD SC

(W) Chris Poggiali, Grady Hendrix

When a major Hollywood studio released *Five Fingers of Death* to thrill-seeking Times Square moviegoers on March 21, 1973, only a handful of Black and Asian American audience members knew the difference between an Iron Fist and an Eagle's Claw. That changed overnight as kung fu movies kicked off a craze that would earn millions at the box office, send TV ratings soaring, sell hundreds of thousands of video tapes, influence the birth of hip hop, reshape the style of action we see in movies today, and introduce America to some of the biggest non-white stars to ever hit motion picture screens. This lavishly illustrated book tells the bone-blasting, spine-shattering story of how these films of fury — spawned in anti-colonial protests on the streets of Hong Kong — came to America and raised hell for 15 years before greed, infomercials, and racist fearmongering shut them down. Meanwhile, her husband Dan tries to keep family life going as he faces the most difficult task of all: preparing the children for the likely loss of their mother. For their forty-fifth anniversary, Hank and Molly Nonnar decide to undergo an experimental rejuvenation procedure, but their hopes for youth are dashed when the couple is faced with the results: severely disfigured yet intellectually and physically superior duplicates of themselves. Can the original Hank and Molly coexist in the same world as their clones? In *Upgrade Soul*, McDuffie Award-winning creator Ezra Clayton Daniels asks probing questions about what shapes our identity: This page-turning graphic novel follows the lives of Hank and Molly as they discover the harsh truth that only one version of themselves is fated to survive.

WITH GREAT POWER: THE MARVELOUS STAN LEE HC

(W) Annie Hunter Eriksen (A) Lee Gatlin

Every superhero has their origin story: a radioactive spider bite turns ordinary teen Peter Parker into Spider-Man, wealthy Tony Stark escapes captivity by building his Iron Man suit, scientist Bruce Banner survives gamma rays only to transform into the Hulk. For Stan Lee, it was books of adventure, monsters, and magic that helped him transform from an ordinary boy to a superstar superhero creator. At first, reading these stories was a pathway to a world bigger than his family's tiny apartment in New York City, but it wasn't long until Stan was crafting his own stories, creating comics professionally when he was still just a teenager! Discover more about the life of the Cameo King, known to many for his appearances in the Marvel Cinematic Universe, and how he revolutionized comics with this vibrant introduction bustling with action, humor, and references for fans new and old. (W) Redcode (A) Albie & Air Team

The Dinosaur Explorers — Rain, Emily, Sean, and Stone, along with Dr. Da Vinci, his assistant, Diana, and their robot helper, Starz — were all flung back in time by Dr. Da Vinci's particle transmitter, and the solar-power device can only bring them back to the present a few centuries at a time, giving them all a perfect opportunity to explore the past-provided they can actually survive it. They now find themselves back in the Jurassic, and they quickly find it's no walk in the park (Get it?) (Sorry.). ALL OF THE MARVELS: A JOURNEY TO THE ENDS OF THE BIGGEST STORY EVER TOLD HC

(W) Douglas Wolk

The super-hero comic books that Marvel Comics has published since 1961 are, Douglas Wolk notes, the longest continuous, self-contained work of fiction ever created: over half a million pages to date, and growing. The Marvel story is a gigantic mountain, smack in the middle of contemporary culture. Thousands of writers and artists have contributed to it. Every schoolchild recognizes its protagonists: Spider-Man, the Avengers, the X-Men. Looking over close to sixty years of Marvel's comics, Wolk sees fascinating patterns — the rise and fall of particular cultural aspirations, and of the storytelling modes that conveyed them. This is a huge treat for Marvel fans, but it's also a

Each entry in this book celebrates another corner of DC's past, present, and future. It revels in the rich tapestry of DC's characters and history. Or histories, for that matter. Each first meeting of Batman and Superman is listed, as are highlights of Hawkman's many reincarnations and Jimmy Olsen's transformations. Harley Quinn's most peculiar career choices? They make quite a resume. Legacy characters like the Flash and Green Lantern are highlighted, profiling each character to don the mantle, and Suicide Squad members are memorialized in a breakdown of who was killed on each mission. BARB THE LAST BERZERKER VOLUME 1 GN

(W) Dan Abdo

(A) Jason Patterson

Barb is a Berzerker, one of a group of warriors sworn to protect the land of Bailiwick from the scourge of monsters that plagues it. But the fearsome crew seem to have met their match in the nefarious Witch Head.

Using power from his magical sword, he tricked the Zerks and took them captive. Only Barb was able to escape — and she took Witch Head's Shadow Blade with her. Now it's up to Barb to free her fellow warriors so they can stop Witch Head from taking over Bailiwick. On the way, she'll battle vampire goat fiends, snot goblins, and a giant with serious foot odor issues (but don't mention that to him—he's very sensitive about it). Luckily, she's got her best friend, Porkchop the yeti, to help her! (STL196398) (C: 0-1-0)

Next up is a super-fun science scavenger hunt, followed by a game of "Tag! You're Awesome!" at recess. WITNESS THE FRACTURED MIND OF GOLLUM WITH DIAMOND SELECT TOYS' GOLLUM FIGURE

Long before Frodo Baggins called Bag End of Bagshot Row his home, there lived a Hobbit known as Smeagol. On his birthday, his friend Deagol found a strange and enchanting ring in the river, one that Smeagol strangely -- and violently -- coveted, leading to Deagol's death at Smeagol's hands. Shunned by his people, Smeagol took his strange ring into the Misty Mountains, found a cave, and there lived for years, decades, centuries. The ring had a hold over Smeagol, poisoning his mind, stretching out his life, until he became known to travelers through the mountains as the creature Gollum.

As portrayed by actor Andy Serkis in Peter Jackson's *Lord of the Rings* film trilogy, Gollum showed two sides of his personality -- the kinder Hobbit Smeagol and the twisted creature Gollum, best shown in the scene where the two sides of his personality argue and clash. Diamond Select Toys adds Gollum and his dual personalities to their series of figures based on the films with the *Lord of the Rings: Gollum Deluxe Action Figure*. With interchangeable heads and a rocky outcropping on which to perch and scheme, fans can display Gollum as either the sinister Gollum or the kinder Smeagol in their *Lord of the Rings* collections!

EVIL HAS NEVER BEEN CUTER WITH QUANTUM MECHANIX'S BATMAN WHO LAUGHS Q-FIG DIORAMA

In a dark, alternate universe where Batman broke his code and murdered the Joker, Batman became the malevolent being known as The Batman Who Laughs, combining the Joker's homicidal cunning with Batman's intelligence. Quantum Mechanix brings this dark Batman to life with their *DC Heroes: The Batman Who Laughs Q-Fig Max Elite Diorama*, a 6" tall piece that depicts a diabolically cute Batman Who Laughs surrounded by his flock of murderous Robins. A NEW CAPTAIN AMERICA TAKES THE SHIELD FOR HASBRO'S TITAN HERO FIGURE

In the aftermath of *Avengers: Endgame* and the retirement of Steve Rogers as Captain America, the Marvel Cinematic Universe asked: Who will wield the shield? Though as Captain America's partner he was the obvious heir, Sam Wilson believed he was unworthy of the shield – until circumstances forced him to take up the shield as the new Captain America in Disney+'s series *The Falcon and The Winter Soldier*. Hasbro's *Marvel Titan Hero: Sam Wilson Captain America 12-Inch Figure* depicts Wilson as Captain America in his new winged costume. Attach the wings and the shield, and Captain America will stand at the ready to defend the American ideal!

TALES FROM THE MOUNT:
A BLUE ROSE PROSE NOVEL
ANTHOLOGY SC

(W) Natania Barron & Various
(CA) Jian Gho

The blasted expanse of the Shadow Barrens has menaced the Kingdom of the Blue Rose for generations. Legends of its sinister residents and the fallen glories of long-lost Mount Oritau have provoked both fear and wistful hope. Now, an envoy from that lost kingdom has made contact, and a history long forgotten by all but a few scholars has been brought to light. But the armies of Shadow loom over Mount Oritau, and its lunar light may soon be extinguished forever. *Tales from the Mount* features nine short stories which visit the deadly Shadow Barrens, wicked fallen Austium, and the lunar glories of Mount Oritau. These are the tales of a people lost, the shattered pieces of an ancient and proud civilization, and the sinister stain that has crept over those legacies in the generations since the Doom of Faenaria. Come explore some of the most tragic parts of the Blue Rose setting with us. Authors for this anthology include Natania Barron, Nerine Dorman, Georgina Kamsika, Rhiannon Louve, Michael Matheson, Tiffany Trent, Caias Ward, and Suzanne Willis. This anthology is tied to the Envoys to the Mount campaign book for *Blue Rose: The Roleplaying Game of Romantic Fantasy* from Green Ronin Publishing. (STL196399) (C: 0-1-2)
